

Southampton Hockey Club
17th November 2007

Date for your diary's:
SHC Christmas Party at the Sporting View
Saturday 8th December

Important Notice

As a club we currently have some of the highest numbers and quality of men's players that we have experienced for several years. This does mean that there are several registered players not currently getting games every Saturday. This has been made worse this particular week as we do not have a fixture for the 6thXI Team.

Please be aware that things will change significantly after Christmas when we regularly lose several players to school hockey. We do however have a number of alternative ways in which to get more involved in playing hockey.

Firstly, training on a Tuesday evening. This is a critical part to playing hockey and developing your skills, this also provides you with direct contact with the team captains to make them aware of your availability and who you are! Your availability to play is critical to selection. With the numbers of players we currently have captains are not going to be chasing you for availability, it is your responsibility to chase them!

Secondly, we have floodlit games on Wednesday evening's and I will be happy to arrange more games, and if necessary inter club games, to ensure that players are able to play regular hockey. If you are interested in playing on Wednesday evenings please email me at a.turner@adamshendry.co.uk. Thanks Stumpy.

Subs are overdue!

You know who you are! From now on you will not be allowed to play unless you have paid!
